Purpose of DKSP

- Focal point for DMSMS information
  - Includes cross Service and other governmental agencies
  - Crosses government/industry lines

- Provide a Vehicle for Single Sign-On to Access Multiple Data Sources
  - GIDEP
  - Shared Data Warehouse
  - Metrics Reporting Tool
  - Obsolescence Data Repository

- Focal point for DMSMS-related training courses

- Provides direct links for sources of information and leads for problem resolution

- Consolidates information
  - Past conferences
  - Newsletters
  - Directives and official documents
  - Meeting Minutes, Charters, Briefings

Purpose of DKSP (cont)

- Describes government and commercial tools and management aids

- Directly links with GIDEP Urgent Data Request system

- Calendar of Events for DMSMS related activities

- Provide Access to Tools/Applications

DKSP Notes

- Project Initiated Four Years Ago
- DLA Sponsored
- Karta Prime Contractor
- Hosted at GIDEP
- www.dmsms.org
- Previously Named Center of Excellence (COE)

Current Functionality

- Training Courses

- DMSMS Plan Builder Completed
  - Developed by Army & Karta
  - Obsolescence Management Plans

- Continue to add technical sources and information

- Provide authoritative and objective research on related DMSMS issues

- Develop new areas approved for implementation

- DMSMS Working Group
  - Committees
 - Minutes
  - Charters
  - Briefings

Current Functionality (cont)

- Master Scheduler
- DMSMS Related Meetings

Projected Functionality

- Promote forward looking DKSP
  - Personalize to "MyDMSMS" functionality

- Explore value-added potential
  - Allied/Coalition Warfare partner access
  - Overseas vendors and supply points

- Work in linkages for total supply chain and life cycle system management

- Complete development of BOM Loading Tool for "one-stop shopping"
  - Access data from all available database sources

- Parts Management Interface

- Re-establish Link to DOD Sponsored Predictive Tool

- Provide links to additional commercial and after-market databases and vendors
